

Walk to Defeat ALS

My name is Dave Colamarino and I am Father Dennis' nephew and Godson. This is Team Father Dennis' eighth walk and I am very excited to lead the team for the third year as Team Captain.

The Pittsburgh Walk to Defeat ALS is on *Saturday, September 11*. Again, for the safety of all, especially our friends with ALS and compromised immune systems, we will be walking *VIRTUALLY*. You may walk anywhere you choose, however we are hosting a Walk at Holy Name Church of St. Thomas the Apostle Parish in Duquesne beginning with a mass followed by the walk. Everyone is welcome to attend. More details to follow as we get closer.

You may start donating and register online at <http://webwpawv.alsa.org/goto/teamfatherdennis>. You may also make a donation by mailing it directly to The ALS Association and referencing Team Father Dennis...

Last year, during the Pandemic, we raised over \$10k. The goal this year is to raise over *\$15k*, which we can do with your help! In the next few months, we would like to raffle off a few BIG prizes. Examples could be tickets to an event, a getaway somewhere, an indulgent gift basket, electronics, experiences, etc. If you know of anyone that would be willing to donate items, then please let me know.

My wife Shannon, along with our two sons, Luca and Sammy, and myself would love to have you as a part of Team Father Dennis again and support the fight against ALS. Should you have any questions, please contact me directly at 412-526-1075. You may contact Shannon as well at 724-980-8810 or scolamarino1@gmail.com. Please share with your network!

The walk, the cause, and people with ALS need you this year because ALS doesn't stop! In fact, every 90 minutes someone is diagnosed with ALS and in that same timeframe, someone loses their battle. Your help towards the advancement of new discoveries and treatments for those affected with this crippling disease is greatly appreciated.

Thanks,

Dave Colamarino
